PRIDE OF OWNERSHIP!

From the moment you step inside, you can feel how well this home has been cared for. Built in 1960, this 1,380 sq. ft. bungalow has been thoughtfully updated over the years while keeping its welcoming charm.

The main floor feels bright and open, with a kitchen that's been refreshed and centered around a handy island—perfect for setting out snacks when friends drop by. The dining area has room for a large table and leads right out to a private deck where you can enjoy your morning coffee. The living room's custom oversized windows bring in an abundance of natural light. Three bedrooms are tucked down the hall, along with a full bathroom and a clever shared-access half bath with a vanity near the back entrance.

Downstairs is a space that feels ready for anything—movie nights, a playroom or a hobby area—with a huge family room, a large bedroom and an updated three-piece bathroom with direct or shared access. The laundry and utility room is spacious with built-in storage to keep everything organized.

Step outside and you'll see why this property stands out. The yard is beautifully landscaped with mature trees, a garden area and a new fence giving you both privacy and a sense of calm. There's plenty of off-street

Recent updates bring peace of mind: a new dishwasher, a new bathroom vanity ready for the upstairs bathroom, new A/C in 2025, and the garage shingles and roof repairs also completed in 2025. The home itself has 30-year shingles installed within the past few years, a high-efficiency furnace, a hot water tank, and 100-amp electrical.
